SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Survey of Occupational Injuries and Illnesses (SOII) information collection. The SOII is the primary indicator of the Nation's progress in providing every working man and woman safe and healthful working conditions. The survey measures the overall rate of work injuries and illnesses by industry. In addition, survey data are used to evaluate the effectiveness of Federal and State programs and to prioritize scarce resources.

Respondents include employers who maintain related records in accordance with the Occupational Safety and Health Act (OSH Act) and employers who are normally exempt from such recordkeeping. Each year a sample of exempt employers is required to keep records and participate in the survey. OSH Act sections 8(c) and 24(a) authorize this information collection. *See* 29 U.S.C. 657(c), 673(a).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to

respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1220-0045.

The current approval for this collection is scheduled to expire on December 31, 2018. The DOL seeks to extend PRA authorization through December 31, 2019, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on May 19, 2016 (82 FR 31666).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the *Federal Register*. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1220-0045. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and
